Forecast For Wales
Issued by Met Office Exeter
at 0400 on Sunday 20 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Showery rain gradually clearing, but remaining cloudy for most.

Today:
Showery rain will gradually ease through the morning, leaving a drier but cloudy afternoon for most. The odd shower remains possible for some. Generally cool. Maximum temperature 22 deg C (72 deg F).

Tonight:
Largely cloudy with spells of rain in some areas during the evening. Overnight there is a risk of showery rain encroaching into the south, but the north will remain dry. Minimum temperature 11 deg C (52 deg F).

Monday:
Potentially wet in the south on Monday with a further risk of showery outbreaks. Drier elsewhere, although a few showers are possible in the north later. Largely cloudy and breezy. Maximum temperature 19 deg C (66 deg F).

Outlook for Tuesday to Thursday:
Mostly dry on Tuesday with sunny spells. A dry start on Wednesday but then outbreaks of rain later. Cloudy on Thursday with a risk of showers.
